

School Project Request

Thank you for contacting the Cleveland Animal Protective League about your upcoming school project. The Cleveland Animal Protective League is a private, nonprofit humane society that has been serving the animals and people of Cuyahoga County since 1913, and we are honored you chose us for your project. As you might imagine, we receive numerous requests for assistance with projects and assignment every year and we try to help with as many as we can, but given our limited staff resources, we may not be able to grant every request. Requests that are submitted with less than two weeks advance notice may be less likely to be granted. To assist us in determining if we can help you, please answer the following questions:
